Camp Encounter and/or camp staff will not be held responsible for lost or stolen items. If your child leaves some things behind, we will be happy to hang on to it for **one month** after the final day of your child's camp. After that time, we will wash and sort items and have them donated to Catholic Social Services or a similar organization. Please contact us as soon as you realize something is missing. Parents are responsible for arranging the pickup of items.

### Inappropriate Behavior

There is some behavior that is considered inappropriate at camp. Swearing, name calling, inappropriate conversations, smoking and fighting (or any form of aggressive physical contact) are a few behaviors that are considered unacceptable. Children who display any form of unacceptable behavior will be given a warning. If the negative behavior continues the parents will be contacted and the child given a second warning. If there is a third occurrence the parents will be asked to come out to camp to pick up their child.
