Snowflake Out trip/Dorms

I am ready to have the best summer EVER with you at my side. This will be my seventh year out, having been a camper, councillor, and volunteer director in the past. I'm so stoked to be running the girls' dorms this year as your temporary caregiver and permanent friend. I will also be the other face of Out-trip team and help make your stay on our island the best "roughin-it" experience of your life! My mind is a whirlwind of ideas for sweet games, adventures and dance parties. You can count on lots of music, fun, and laughter! I hope my home will become your home as we adventure through Camp together and grow in friendship. Come prepared for the time of your life!

Python Spirits Program

This is Python, signing in for another epic summer adventure! I had enough fun and excitement last summer to last a lifetime, and am hoping to double that this summer! I will be your Spirits director this summer, and I can't wait to show you all how much God loves you, and how each one of you is a very special part in God's magnificent plan! I can't wait to see all you old campers come back, and I'm even more excited to meet all you new campers coming out for the first time! I know that it is going to be a summer of EPIC PROPORTIONS!

Solstice Craft Program

Solstice here and I am ready for my third exciting summer as a staff. This year I will be crafting it up in the wonderful craft shack. I am looking forward to making cool things with you all. I am also really stoked for a summers worth of good weather, playing, exploring, friend-making, memories, and more. This will be my eleventh consecutive summer out at camp! I really love nature and the beauty of our world. I also love working with kids (that's even what I am in University for!), going on adventures, and music. If you like any of that... or even if you don't... I am sure we will get along just fine! Can't wait to see you all here!

MEET THE STAFF

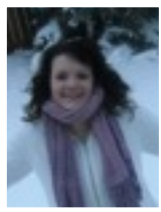

Bass Adventure Program

It's Bass here! This year I will be your guide in many camp adventures. Last year, in the fall, I had a taste of being camp staff and now I am back to get the full experience of being camp staff for six months. I will be programming for schools in the spring and fall, and during the summer months, I will be the adventure programmer. For the long winter months and I've been trying to distract myself by skiing as often as possible. Now I am practically counting down the days until I get to come back to camp. I am so looking forward to rekindling great friendships and creating new ones. This summer I am going to spend all of my time making sure that I get to know you better, and taking you on adventures. 2010 is going to ROCK!!!
-Bass

My name is Hummingbird(fish), and I am your Rec director for the summer! I am really looking forward to sharing a plethora of awesome games and activities when you come out to camp, and I can promise you a ton of laughter, fun, and excitement! Let the countdown to camp begin...
